

REMARKS

Claims 1, 3-11, 13-15, 17, 18 and 20-25 are pending. Claims 4, 5, 7-11, 13-15, 17, 18, 20, 22 and 23 are withdrawn as being drawn to a non-elected invention. Claims 1, 3, 6, 21, 24 and 25 are currently under examination.

The Notice stated that the amendment to the specification was not entered because it does not refer to appropriate page and line numbers. Applicants have herein amended the reference to the page and line numbers for the amended reference to Figure 10.

The Notice objected to the notations "previously amended" and "presently amended" in the listing of the claims. Applicants have amended the listing of the claims to refer to the subject claims as "Previously Presented" and "Currently Amended," respectively.

Applicants submit that these changes fully place the amendment in form for entry. Such action is respectfully requested.

Respectfully submitted,

Date: 6/22/04
